The ladder accessory tool that attaches to the side of a ladder.

Keeps your tools handy and saves you trips up and down your ladder. You will be able to finish your job faster and cleaner using the Monkey Klamp. It can be used for numerous solutions, tool storage and more!

← Removable Tool Holders

- 5/8" Solid aluminum rod – anodized and bright dipped to eliminate electric current, and maximize durability against wear and tear and rated to hold up to 15 lbs
- Sold with stainless steel standard attachment (accessory attachment, tool bag attachment, bucket attachment also available for purchase)
- Rated to hold up to 15 lbs per Monkey Klamp/Attachment
- Locks securely through the rung of most all extension ladders on the market today
- Lightweight – The Monkey Grip with Standard Attachment weighs 1lb

The Monkey Klamp is a simple and easy to use tool which works with many ladders in the market today. The Monkey Klamp is an innovative step/A-frame ladder accessory designed with safety, and convenience in mind to create a lightweight, easy to use tool that reduces ladder accidents by increasing 3-point contact, and minimizes labor costs. You will no longer have to go up and down ladders while you are working. Keep everything you need by you and improve your work efficiency and safety.

The Monkey Klamp is perfect for any worker, painter or homeowner.

UNIVERSAL HOLDER

TOOL HOLDER

BUCKET HOLDER

The ladder accessory tool that fits right in the rung of a ladder.

Keeps your tools handy and saves you trips up and down your ladder. You will be able to finish your job faster and cleaner using the Monkey Grip. It can be used for numerous solutions, tool storage and more!

← Removable Tool Holders

- 5/8" Solid aluminum rod – anodized and bright dipped to eliminate electric current, and maximize durability against wear and tear and rated to hold up to 15 lbs
- Sold with stainless steel standard attachment (accessory attachment, tool bag attachment, bucket attachment also available for purchase)
- Rated to hold up to 15lbs per Monkey Grip/Attachment
- Locks securely through the rung of most all extension ladders on the market today
- Monkey Grip comes with (1) hitch pin to hold product to ladder, and (1) thumb screw to secure attachment to the tool
- Lightweight – The Monkey Grip with Standard Attachment weighs 1lb

The Monkey Grip is a simple and easy to use tool which works with many ladders in the market today. It can be used on the left or the right side of extension ladders at any height. It simply slides into the rung of the ladder and has a safety clip to ensure the Monkey Grip stays in place. You will no longer have to go up and down ladders while you are working. Keep everything you need by you and improve your work efficiency and safety.

The Monkey Grip is perfect for any worker, painter or homeowner.
